

Rolli Stamps for Valentine's Day | Rolli

CUTE EVERYTHING | FEBRUARY 2015

If you're looking for a fast and fun way to dress up your Valentine's Day gifts, cards and projects, you should check out the 'I Heart You' **Rolli Stamp by Funnybone Toys!** It's really pretty and I found it so easy to use, too. It works great for craft, hobbies, and scrapbooking,

It can be used for up to 100 feet of continuous rolling patterns on almost any type of surface. Plus it's really fun to use, for kids or grown ups!

The stamps are perfect for creating fun and unique stationery designs, or to add some decoration to a scrapbook. You can even use them to decorate clothing items!

Rolli[™] is a patented system with no messy ink pad which comes packaged in its own individual box. These fun stamps help you to create personalized stationery and stray away from pre-packaged looks.

They have really fun patterns, too! Cute French bulldogs, super pretty hearts and lace, to unique house designs, fun hedgehogs and playful pugs, there's something for everyone!
