

The Top 10 Toys That Kindle Kids' Creativity

MAY 9, 2014

Can you teach kids to be innovative? You can certainly try, but you won't get very far if you don't foster creativity first.

Believe me, with all the open-ended creative toys in our house, you'd think an afternoon with my kids would look like a day of blocks, marbles and paintbrushes, but I still have my share of "Mom, iPad code please." Even though I bring my kids some of the world's best toys and games, I will be the first to admit that sometimes encouraging creativity in children is really hard work. You really have to walk the walk, and that means getting down on the floor and actually playing with them. Many of us don't feel we have enough time for that, but I truly believe it is worth the investment.

Top 10 Toys That Breed Creativity

4. Disruptus

Disruptus was inspired by Luke Williams, an Adjunct Professor of Innovation at NYU Stern School of Business who has taught many to "think the unthinkable" and create innovative strategies to transform their businesses.
