

GREAT HOLIDAY PICKUPS YOU DON'T WANT TO PASS UP

Life can be full of surprises both big and small, and it keeps life interesting. People find uses for all kinds of items in the world. Since everyone has a different look on life, we all do things in a variety of ways. We all need several things that'll help us get through life. Just think about all the categories available, you can pick and choose what you want to invest in.

Now since we are getting closer to the holidays, you will need some new stuff to the world with. When it comes to gift giving you want to be prepared at all times. Keeping your options wide in variety can turn out to be great in the long run. In fact, I have a couple of choices for you may want to consider. So check out all the information I have for you below.

A RISKY WORD GAME
WHERE LOCATION IS EVERYTHING!

Whim Risky Word Game – Race your opponents to find words that include specific letters you choose for each round, but it gets tricky because the die decides if the letter must appear in the beginning, middle or end of each word! It's a special game that is sure to keep everyone's mind going when you play.

About Funnybone Toys:

Celebrating 6 years in business, Funnybone Toys® makes art-inspired games, toys and gifts that use good design to stimulate creativity. They will be at the North American International Toy Fair, February 18-21, 2017 in New York City. Visit them at booth #6248 (in the Modern Design aisle, of course!).

Contact Julien Sharp, President at (toll free) 855-386-2663 or by email at julien@funnybonetoys.com; for more information.
